What Drives Us

OUR MISSION

To empower every individual to #BeTheDriver of their own success and tap into their innate ability to find peace, passion and productivity by driving out fear and integrating #ThoughtManagement

STRESSED to BLESSED
and the only thing I changed
was my mind."***

What is STEER

STEER is our self-coaching model used exclusively at SYLC Consulting and by our team of SYLC Certified Coaches.

The STEER Model incorporates the highly effective and well-respected aspects of Cognitive Behavior Therapy (CBT) and Dialectical Behavior Therapy (DBT) into a non-clinical, simple and easy to remember tool.

Designed to help participants with Stress Management and Emotional Intelligence resulting in overall Emotional Wellness that affords users to create their outcomes versus just settling for them.
